The school Library or your local library

You will also find the websites on the back of this page helpful

YOUR PROJECT MUST INCLUDE:

1. A title page including a drawing, the title in bold letters, your name, class and colour.

2. Information on how the trench system worked. (Labelled diagram)

3. Conditions in the trenches

4. Daily routine

5. Food in the trenches

6. Diseases and problems for soldiers

7. What it was like to experience an attack

8. New weapons of War

9. The use of gas as a means of attack

10. Rest and Recovery (What did men do to relax?)

Your project must be written in **your own words** and include **drawings and photographs**. You must also state **where you got your information** from and make sure you **meet your deadline**.

This project is worth **25 %** of your total mark for the year!
