TRANSLINK DUPLICATE PASS PROCEDURES

Translink Pass Office issues duplicate passes to replace both lost or stolen and broken or damaged passes. The following procedures should be adhered to in order to receive a duplicate pass for your child.

ELB Duplicates (originally supplied 'free of charge' by the ELB).

The issue of duplicate ELB passes is subject to the current arrangement between the Education and Library Boards and *Translink*. In general, once the school has issued your child with an *Interim Educational Ticket* the procedure is as follows:

- 1 The **Blue** portion of the *Interim Educational Ticket* allows five school days of 'free' travel.
- 2 The **White** portion of the *Interim Educational Ticket* should be signed and returned, by post, to: **Translink Pass Office, 3 Milewater Road, Belfast, BT3 8BG.**
- 3 You must include one passport photograph (please write the child's name on the reverse of the photo) and the appropriate fee (**£20** for a lost or stolen pass or **£5** for a broken or damaged pass, which must be included with the application).
- 4 Please send cheque or postal orders only, made payable to *Translink*. Do not send cash in the post.
- 5 *Translink* will process the application and send the new pass within five working days of receipt to the requested station/depot or school, for collection by the student (please ensure this collection point is completed on the form).

If a second duplicate pass is to be issued the procedure is the same, but the parent of the student must contact the relevant ELB in order to request that a letter of authorisation is provided.

***Should you have any queries please contact
Translink Pass Office at 028 9035 4074***
