THE DEPARTMENTS

Mathematics Department

Since joining the Maths Mastery partnership in 2014, the Hazelwood Mathematics Department has transformed how the curriculum is delivered. The team continues to nurture and develop innovative approaches that place pupil learning at the centre of all practice.

Junior School students are taught in mixed-ability tutor groups with 5–6 lessons per week. In Senior School, there is limited streaming and students follow the CCEA GCSE Mathematics specification.

The department is housed in eight bright, modern classrooms, each equipped with an interactive whiteboard and a wide range of physical resources.

The successful candidate will be expected to contribute to the vibrant extra-curricular life of the College.

Science Department

The Science Department is a vibrant, well-resourced team of nine specialist teachers supported by experienced technicians. Students study Science in all-ability classes at KS3, with a range of GCSE pathways offered in KS4, including CCEA Single Award and Double Award Science. Staff also contribute to the CCEA Life and Health Sciences A Level according to their specialism.

The department teaches in a suite of adjoining, state-of-the-art laboratories and is committed to delivering active, engaging Science lessons that foster curiosity and ensure all students achieve their potential.

The successful candidate will be enthusiastic, capable of motivating learners, and keen to promote Science within the College.
