Punctual applications will be considered before late applications. If all available places are awarded to punctual applications, those who have submitted late applications will not be awarded a place.

### ADMISSIONS CRITERIA FOR ENTRY OF PUPILS TO YEAR 8 SEPTEMBER 2024

Hazelwood Integrated College is an all-ability, co-educational, integrated school.

The Board of Governors seeks to maintain a reasonable balance between Catholic and Protestant students as outlined in the statement of principles of the Northern Ireland Council for Integrated Education.

In order to maintain a reasonable balance, the College admissions criteria will be applied separately to applicants as follows:

- 40% of places assigned to students within the Catholic category
- 40% of places assigned to students within the Protestant category
- 20% of places reserved for 'others' who may be from a mixed tradition background, from a different religious/ethnic grouping, or from those of no religious affiliation.

The criteria set out below will first be applied to members of 'Other' traditions in the order set down and then to the Protestant and Catholic traditions. In the

event of there being fewer applications from either of the two main traditions than there are places available for that tradition, the balance of places will be allocated to the remaining main tradition, and to 'Other' traditions equally. In the event of there being more applicants than places available, the Board of Governors has determined that the following criteria shall be applied in the order set down.

#### **ADMISSIONS POLICY**

Please Note: When considering which children should be selected for admission, the Board of Governors will only take into account information which is detailed on or uploaded with the Transfer Application. Parents should ensure that all information pertaining to their child and relevant to the school's admissions criteria is stated on the Transfer Application or uploaded with it.

Religious affiliation will be determined by information supplied on the Official Online Transfer Application. It is the responsibility of parents/guardians to designate students using the wording 'Catholic', 'Protestant' or 'Other' to categorise their child's religion on the Official Online Transfer Application. This must include the religious category the child belongs to, with school and type of school (Integrated / Controlled /CCMS) which, they currently attend.

## The following criteria will be applied separately to each religious category:

- 1 Applicants who nominate Hazelwood Integrated College as either their **first** or **second** preference on their Transfer Application.

  If Criteria 1 is oversubscribed, Criteria 2, 3 & 4 will be applied in that order.
- 2 Applicants who have a sibling (child of the family1) **currently** in attendance at the College (Indicate full name and **current year group**).
- 3 Applicants who currently attend/attended for the majority of their primary school years, a Grant Maintained / Controlled Integrated Primary School (not in order of preference) as defined in the Education Reform Order (1989).
- 4 Applicants who are the eldest eligible child2 in the family.

In the event of a tie occurring in the categories above (1, 2, 3 & 4) in the order set down, priority will be determined according to application of a randomised computer selection of letters.

#### **Random Computerised Selection of Alphabet:**

The order was determined by a randomized selection of letters.

A T J F D C MC G S K N L M Y E V R B Q H W O P U I X Z MAC

In the event of surnames beginning with the same initial letter, the subsequent letters of the surnames are used in alphabetical order. In the event of two identical surnames, the alphabetical order of the initials of the forenames will be used.

In the event of two pupils having exactly the same name, the date of birth, as entered on the birth certificate, will be used as a tie breaker with the eldest child being chosen first.

In accordance with DE Circular 2022/15 and Article 2(2) of the Domestic Proceedings (NI) Order 1980:

 'Child of the family' is defined as Individuals who have both parents in common or children who reside with the same family at the candidate's normal home address (including foster, adoptive children and stepbrothers and sisters living with the candidate at their normal home address)

#### 2. 'Eldest eligible child' is defined as:

- The eldest or only child in the family. Eldest sibling twins (or other multiples) will be regarded as joint eldest.
- The "eldest child" criteria will also apply in the case where a family has
  not had the opportunity to enrol an elder child, such as in cases where
  the elder child could not attend mainstream school (e.g., attends a
  special school) or where a family has relocated to Northern Ireland.
- This also includes children who have an elder sibling who is more than 7school years older.

Please Note: Evidence of 'eldest child' status must be provided by **uploading** a verifying letter to the online transfer application stating that the child is the eldest/only eligible child and that the child and family are known to the verifier. It must be written on headed notepaper and signed by one of the following who is not a member of the applicant's family:

- A medical practitioner
- A solicitor
- A clergyman or equivalent
- A primary school principal

#### The religious tradition of a pupil will be determined by:

1 Information supplied to the College by the parent/guardian via the online enrolment portal.

- 2 The category of primary school which the pupil attended i.e., Integrated, Controlled or CCMS.
- 3 In the event of the Governors being unable to decide the religious tradition, then the applicant will be deemed as 'Other'.

#### **DUTY TO VERIFY**

The Board of Governors reserves the right to require such supplementary evidence as it may determine to support or verify information on any applicant's Transfer Application and reserves the right to seek confirmation of any information supplied.

If the requested evidence is not provided to the Board of Governors by the deadline given, this will result in the withdrawal of an offer of a place. Similarly, if information is supplied which is found to be false or misleading in any material way, the offer of a place will be withdrawn.

#### YEAR 8 WAITING LIST POLICY

Any student that has initially not gained a place will remain on the transfer list and in the event of a vacancy the above criteria will continue to be applied up until 31 August 2024.
