

Hazelwood Integrated Primary opened its doors in September 1985 which was only made possible by the determination of 16 ordinary parents who were committed to providing Integrated Education in North Belfast. A new purpose built school was opened in June 1996 and now the school has enrolment number of 406 and 52 places in the nursery unit. The mission statement is to endeavour to help each child reach their full potential, within a positive and caring learning environment. Hazelwood Integrated Primary are proud to be a Forest School and develop the curriculum through outdoor learning.
