

HAZELWOOD
INTEGRATED COLLEGE

***Criteria for
Admission into
Year 8***

2019–2020

Admissions Criteria for Entry of Pupils to Year 8 in September 2019

Hazelwood Integrated College is an all-ability, co-educational, integrated school.

The Board of Governors seeks to maintain a reasonable balance between Catholic and Protestant students as outlined in the statement of principles of the Northern Ireland Council for Integrated Education.

In order to maintain a reasonable balance, the College admissions criteria is applied separately to applicants from Protestant and Catholic backgrounds. 30% of places are reserved for 'others' who may be from a mixed tradition background, from a different religious/ethnic grouping, or from those of no religious affiliation.

Prospective parents must complete a Hazelwood College Student Information Form indicating which category they want their son/daughter to be included in and which criteria he/she meets. A Student Information Form can be obtained on request from the College.

All relevant information must also be included in Section B and Section C on the Transfer Form to enable the Committee to apply the criteria fairly. This should include the category the child belongs to, with school and type of school; integrated, controlled, CCMS.

The Board of Governors reserves the right to seek confirmation of any information supplied.

The following criteria will be applied separately to each category:

- 1) Pupils who place Hazelwood Integrated College as *First Preference*.

If Criterion 1 is oversubscribed, Criteria 2, 3, 4 & 5 will be applied in that order.

- 2) Pupils who have/had a brother/sister or foster brother/sister at the College (indicate full name and current year group).
- 3) Pupils who attended a Grant Maintained/Controlled Integrated Primary School (not in order of preference) as defined in the Education Reform Order (1989).
- 4) Pupils who are the eldest eligible child in the family.
- 5) Other pupils.

In the event of oversubscription in the last criterion which can be applied then selection for all places remaining in this category are made on the basis of initial letter of surname, in the order set out below:

The order was determined by a randomized selection of letters of the alphabet.

O F A X R Y Q S I J G K E Z T D P L W H U M B C N V

In the event of surnames beginning with the same initial letter the subsequent letters of the surnames are used in alphabetical order. In the event of two identical surnames, the alphabetical order of the initials of the forenames will be used.

In the event of two pupils having exactly the same name, the date of birth, as entered on the birth certificate will be used as a tie breaker with the eldest child being chosen first.
