

Mid Antrim Animal Sanctuary has been in existence since 1996 and we concentrate our work on animal re-homing, education and relieving the distress and suffering of unwanted animals.

With a strict no kill policy in place a number of animals, for whatever reason, find it more difficult to find a place to call home; in these instances we offer shelter for life here at our premises.

Whether at the Sanctuary or as one of our adopted dogs or cats, we ensure all have the right to the five freedoms:

- **Freedom from hunger or thirst**
- **Freedom from discomfort**
- **Freedom from pain, injury and disease**
- **Freedom to express normal behaviours**
- **Freedom from fear and distress**
